

## Archery Range Fees

Members pay to shoot the course when we have shoots open to the public. That's Thursdays this year and Sunday shoots as posted on the club website, <http://www.bobwhiteclub.org/>.

The same fee is charged for all shooters at open events

Other than shoots open to the public, members are able to shoot the 3D archery course whenever it's set at no charge.

Sign-in at the clubhouse is not required.

We are also in process of repairing the bag targets which remain out year-round and may be shot at no charge by club members other than during shoots open to the public.

Guests of members pay \$5 to shoot the course with the exception of those days with open shoots when the same fee is charged for all shooters.

## Range Rules

On the 3D course, colored shoot stakes are set at each target. Stake color indicates the maximum yardage to the target.

Shooting stake colors and maximum range from each stake to the target are shown below.

Stake Color	Max Yardage
Blue	50
Green	45
Red	40
Yellow	35
Orange	30
White	25
Black	20
Tan	15

Shooting lane Width is 5yds on either side of a straight line drawn from the farthest stake to the target in the lane.

Shots maybe taken from any location within the shooting lane.
